Cassio Productions are delighted to come back to Watford Palace this autumn to perform 'Our House'. Set in 1980s Camden Town, Our House tells the story of London lad Joe Casey, who, on the night of his sixteenth birthday, takes Sarah, the girl of his dreams, out on their first date. In an effort to impress her with bravado, he breaks into a building site overlooking his home on Casey Street, which is owned by Mister Pressman, a high-end property developer. The police turn up, at which point Joe's life splits into two: the Good Joe, who stays to help, and Bad Joe, who flees. Featuring a collection of Madness hits including House of Fun, Baggy Trousers, Driving in my Car, It Must Be Love and of course Our House, the show is a huge hit with those looking for a very British musical.

## TWO OF US

Watford Palace Theatre  
FRI 13 - Sat 21 Sep 2024

Based on the screenplay by Mark Stanfield  
Directed by Scot Williams  
In 1976, tired of the spotlight, John Lennon chose to be a stay-at-home dad to his baby son, Sean. Paul McCartney was Number One all over the world with his new band, Wings, and about to embark on a global tour. Once inseparable, both men were now worlds apart. Six years after the bitter break up of The Beatles, Paul paid a visit to John's apartment in New York City. Unannounced. It would be the final time they EVER met. Two of Us ruminates on what may have happened. Truths that may have been spoken and traumas that may have been shared. Their apologies and eulogies, what was said and what was left unsaid. It is the story of two working class boys who loved each other.
